**RIVER ROAD INDEPENDENT SCHOOL DISTRICT INTER-DISTRICT
TRANSFER AGREEMENT**

This Transfer Agreement establishes the terms and conditions for the named student to attend a River Road Independent School District school as an inter-district transfer student for the 20__ - 20__ school year.

The student's parent or other person having lawful control of the student, requests that the student be permitted to attend River Road ISD, and agrees to the following terms and conditions for that transfer:

1. This transfer is effective for the 20__ - 20__ school year only. District approval of this transfer creates no right or expectation that the student will be admitted as a transfer for any subsequent school year.
2. This transfer is approved for the named student only. District approval of this transfer creates no right or expectation that another student from the same family will be admitted as a transfer.
3. The student must maintain acceptable attendance and must comply with District rules and regulations, including the Student Code of Conduct, throughout the entire school year. Failure to do so may affect a transfer request for subsequent years. Acceptable levels are defined as:
 - a. Attendance that does not place the student at risk of losing credit under Education Code §25.092 or require the District to warn the parent or the student of truancy proceedings under Education Code §25.095;
 - b. Compliance with the District's rules and regulations, including the Student Code of Conduct, such that no offenses result in removal to a disciplinary alternative education program or expulsion, and no more than 3 referrals are made within any grading period for other misconduct.
4. The District will charge tuition in the amount of \$_____ per year. Tuition must be paid in _____ equal amounts by the ___ day of each month. If tuition is not received by the date due, the District may revoke the Transfer Agreement. If this Transfer Agreement is revoked for nonpayment of tuition, revocation will be effective immediately.
5. The parent of the student will be responsible for transportation to and from the District school to which the student is assigned. The District does not provide transportation.
6. The student and parent acknowledge that eligibility of transfer students for participation in any UIL activity, or other activities governed by UIL rules and regulations, will be determined in accordance with UIL rules and regulations.
7. Except as modified by this transfer agreement, the student will be subject to all policies, regulations, rights, privileges, and responsibilities of enrollment in the District as if he or she resided in the District.
